

## What is AVID Elementary Weekly?

- An implementation resource designed to bring the real world into the AVID Elementary classroom and view it through the WICOR lens
- Uses current newspaper articles, photos, and illustrations to provide students with high-interest stories
- Articles, photos and illustrations are aligned with AVID Elementary implementation resources, layout of Activity Ideas (AI), and WICOR lessons (framework for strengthening lessons).

## Who uses AVID Elementary Weekly?

- All active AVID Elementary sites are afforded the opportunities of AVID Elementary Weekly.

## How is AVID Elementary Weekly accessed?

- AVID Elementary Weekly is Web-based and accessible 24 hours per day, 7 days per week.
- Each school is provided a username and password to gain access to new articles and sample lessons (monthly) and archives of previous articles/lessons.
- Click on the following link to download a pdf of Subscriber Instructions:  
[http://www.avidelementaryweekly.org/Subscriber\\_Instructions.pdf](http://www.avidelementaryweekly.org/Subscriber_Instructions.pdf).

## What does a school receive with a subscription to AVID Elementary Weekly?

- 12 articles and/or images (Activity Idea or WICOR lesson) available for viewing and/or download on the first of each month
- Access to AVID Elementary Weekly for the entire academic year
- School username/password for site team members from subscribing membership sites to access the articles and lessons at any time

## What does it cost?

- All active AVID Elementary sites receive an entire academic year subscription to AVID Elementary Weekly included in AVID Elementary site membership fees.
